SHAPESCAPER™ steel planter rings

Manufactured in Australia with BlueScope® Steel

Rings are supplied as either open or closed (please see table below for the default).

All rings can be however be ordered as either “open” or “closed”. Closed rings are supplied fully welded, while open rings feature pre-drilled holes and pre-fixed connector plates that make alignment and closure quick and easy.

SHAPESCAPER™ planter rings are available in six profile heights at 100mm, 150mm, 250mm, 390mm, 590mm, 800mm. All rings are made from 2.0mm thick BlueScope® Steel. SHAPESCAPER™ steel landscaping rings are available in either REDCOR® weathering steel (equivalent to “corten”) or GALVABOND® galvanized steel.

SHAPESCAPER™ planter rings are stocked in the following diameters but can ordered to any diameter required. Welded base plates are also available with all closed planter rings. Rings should be ordered as either “open” or “closed” as required. Custom heights are also available on request. Up to a 10 day lead time may apply to some orders.
